Aquarius Love & Sex Forecast 2010:

Aquarius, you're ready for something new but you may feel as if you can't get things off the ground in the love and sex department early in the year. Mars, the planet of sex and energy, will be a dominating influence in your relationships from the New Year until June 7th 2010 - an unusually long period of time for Mars to remain in one area of your chart. This could be about fighting for your relationship or fighting with your mate. Either way, something's gotta give in 2010, Aquarius!

Aquarius in a Relationship Forecast 2010:

For the Aquarius in a relationship in 2010, Mars tells much of the story. Until March 10th 2010 you and your partner may be stuck in a stalemate situation where you are in significant conflict over something and yet neither one of you seem to have enough ammunition to battle it out. You're embroiled about something though and it's clear that if your love will survive the two of you will have to reach a compromise. Perhaps marriage counseling is in order or maybe the two of you just need some great make up sex. Unfortunately the Aquarius will have to wait until after March 10th 2010 for any sex to be worthwhile. From that point until June 7th 2010 however the Aquarius has the ability to fight for her/his relationship.

Single & Dating Aquarius Forecast 2010:

In 2010 the single Aquarius will have some ups and downs but you can expect your greatest sexual and dating energy to manifest from June 10th 2010 – July 4th 2010 when Venus, the planet of love, will be in your 5th house of true love and sex. Mars, the planet of sex, will join Venus from June 22nd 2010 – August 3rd 2010. These will be key time periods to have more fun in the Aquarius' dating life and to attract many exciting new people your way. Summer will be steaming hot in 2010, Aquarius!
