

2010 Sagittarius horoscope - Dhanu horoscope

Moon is in Gemini in your 7th house

This period would be an excellent stepping stone for growth vertically and a rise on your career. There are chances of getting benefits from the associates/partners. There will be happiness from the opposite sex. Love and romance will be on the rise. There will be gains through trade and foreign travels. Health related problems may disturb your peace of mind. Your self-discipline, self-monitoring and control over your daily routine will be beneficial to you. Be careful from fever and rheumatic pains. This period also gives indication to ill health to your life-partner.

Mars is in Cancer in your 8th house

You should learn to relax to avoid unnecessary mental stress when things seem to be stagnating at the professional front. Resist the urge to change jobs on an impulse driven by feelings of disappointment or frustration. This is also a period which can create troubles or messy situations due to carelessness or negligence creating worries and unnecessary troubles. Health requires immediate attention as injuries and accidents and on the card. There will be disturbance in the family life and also you should be careful of the sex diseases.

Mercury is in Sagittarius in your 1th house

This year presents you with a taxing work schedule but will reward you with good career progress. This could be an excellent period promising much success provided you are willing to work on it. Corporation from the family is seen. This is also a period which can give you fame. You can make great progress professionally. You will be able to win over your enemies. You will acquire new trades and new friends. You will maintain a harmonious relationship with all.

Jupiter is in Aquarius in your 3th house

There will be a strong influence from others to help you create more personal security in having your material needs met. Money will definitely be coming your way and will greatly influence your personal beliefs, dreams and philosophies. You will get recognition of your merits by the government and higher authorities. You have a friendly nature, and feel very comfortable enjoying the group dynamics of different social scenes; you may get disturbed a bit due to health ailment. Personal transformation is far more appealing than outer changes.

Venus is in Sagittarius in your 1th house

This period is fabulous for you for many reasons. Your ambience is just so great, that things just seem to be sorting themselves out. All your household affairs are going around their respective orbits with perfect harmony. Your passion and zeal jet your performance and efficiency to an all time high. There will be favor from the high class, improvement in your status, and destruction of your enemies. You will get full support from your family members and relatives. There will be a pleasant environment all around you.

Saturn is in Virgo in your 10th house

The outlook however will remain average mostly throughout the period. You should work on developing your profession rather than focusing on gains. During this period there could be personal issues & minor health issues which could create hurdles for work. There would be challenges and new choices which should be taken carefully. New projects should be totally avoided. This period will experience hurdles due to your un-adjusting nature as well as competition in work environment. Purchase of land and machinery should be postponed for some time.

Rahu is in Sagittarius in your 1th house

New areas you explore this year could be loss generating as there could be steady rise in expenses

legal problems. You will be able to continue with existing line of work & remain low profile and stable in your outlook. The outlook for gain should be short term only. Medium & long term projects are better started. There may be problems related to your eyes. Your friendship with the opposite sex will not be cordial plans of making quick money should be scrutinized first. There can be problems to your girl friend/boy friend.

Ketu is in Gemini in your 7th house

This is a period of mixed results for you. In this period you will suffer due to mental stress and strain. You may face problems in your business partnerships. Financially the period is not so good. Journeys will not be fruitful. Risk taking tendencies could be curbed totally. You can get into conflicts with your dear ones so better try to avoid these kinds of situations. However, this is not a good period for love and romance. You should be very careful in love and relationship as it can bring disrespect and loss of honor to you.

Sagittarius Love & Sex Forecast 2010:

Life with a Sagittarius is always “sunny side up” thanks to your exceptional idealism and optimistic nature. When it comes to love and sex, things are no different. You’re lovers are blessed to have your enthusiasm and playful nature in the bedroom, Sagittarius. Sex is play and you love horsing around with your lover, play fighting and making a sport out of sex. In 2010 the games of love continue in a most exciting way.

Sagittarius in a Relationship Forecast 2010:

Things will be relatively low key and status quo for you in 2010 if you’re a Sagittarius in a committed partnership. Stability doesn’t have to be boring though so use your imagination and indulge in travel with your partner if possible – that always makes the Sagittarius happy. The most delicious period for you and your mate to enjoy will be from June 10th 2010 – July 4th 2010 when Venus, the planet of love, will be in your 7th house and bless your union in amazing ways. Mars, the planet of sex, will join Venus from June 22nd 2010 – August 3rd 2010. Expect hot sex, Sagittarius!

Single & Dating Sagittarius Forecast 2010:

It could be a whirlwind for you in 2010 if you’re a single Sagittarius but thankfully, you’ll be up for the game. Mars, the ruler of your 5th house of love and sex, will be retrograde until March 10th 2010 so don’t expect much excitement in the sex and romance department early in the year. From May 27th 2010 – August 13th 2010 your love life will be electrified as Uranus, the planet of sudden developments, enters your love sector to bring an unexpected romance to your life. From June 6th 2010 – September 9th 2010 lucky Jupiter will also be in your 5th house expanding your potential to experience true Sagittarius love. Wow!
