### **Gemini Love & Sex Forecast 2010:**

Gemini, everything you thought you knew about love and sex is about to change this year. That's because in 2010 Saturn, the planet of limitations and our greatest lessons, will be in your fifth house of true love and sex all year except for April 7th 2010 – July 21st 2010. What does this mean? Whether you're a single Gemini or in a relationship you will be forced to take an honest and sober look at what love is and isn't. Part of this process will be letting go of a relationship if you decide it no longer lines up with your needs in love, Gemini.

### **Gemini in a Relationship Forecast 2010:**

Although Saturn restrictions will be the dominant theme for you in terms of love this year Gemini, you will also have the opportunity to experience greater depth and commitment in a relationship if you work your Saturn lessons correctly. Sometimes love means taking out the garbage or cleaning up after your mate when he or she has the stomach flu. It's not always roses and candy for the year 2010. Sometimes, it's just hard work.

### **Single & Dating Gemini Forecast 2010:**

It's possible that you will revisit a romance with a co worker when Venus, the planet of love, turns retrograde in your sixth house of work and service from October 8th 2010 – November 18th 2010. Venus rules your 5th house of love and with Saturn's influence there all year you'll be serious about the decision to get back with any ex during this time. There is likely to be a deep lesson in store for you about mixing business with pleasure, Gemini. The attraction to a co worker, employee or colleague may be strong – but that doesn't mean it's a good idea. Only you will know if it's worth going down this road.
