### **Scorpio Love & Sex Forecast 2010:**

When you're in love it's "all or nothing" because as a Scorpio you're the most intense sign of the zodiac. You don't know how to do anything halfway – especially when it involves your heart, Scorpio. Your deep, loyal and possessive nature can be both magnetic and intimidating so the Scorpio is a sign who chooses lovers carefully.

In 2010 you will have abundant potential for love and sex as well as a rich, rewarding sense of fulfillment in partnerships, Scorpio.

### **Scorpio in a Relationship Forecast 2010:**

In 2010 your primary love relationship will bring you back in time, forcing you to revisit and rekindle much of what brought you and your mate together in the first place. Venus, the planet of love, will turn retrograde in your sign from October 8th 2010 – November 18th 2010. Venus rules your 7th house of partnerships. This could have you feeling doubt and anxiety about love and your ability to satisfy your mate. This will be an excellent opportunity for you and your love to try something new sexually. Love is always more fun for the Scorpio if there's a sense of mystery or taboo.

### **Single & Dating Scorpio Forecast 2010:**

Love can blossom for the single Scorpio in 2010 thanks to Jupiter, the planet of luck and expansion, waving his magic wand in your 5th house of love and sex all year after January 17th except for June 6th 2010 – September 9th 2010.

Scorpios will have plenty of opportunities for casual sex and dating as well as the potential to fall in love while you're playing the game. This is a once in twelve year cycle so even though the Scorpio an incredibly magnetic sign don't think you have this energy every day. Make the most of it!

Uranus, the planet of chaos, also finishes up his long visit to this same part of your chart this year. Expect something unexpected in your love life, Scorpio. It should be tantalizing.
